How are you right now?
Can you stay there?

Dad, just as you said it's
just a clear room. But living
here would be fine.

The electricity and water,
is it available too?

It's really okay. Nothing's broken.

Then buy anything that's necessary to you. If
your money runs short, just tell me. About the
things you left here, they should arrive within
2-3 days. Just check them from time to time.

Please send me your photo.

TEEN MOM

Chapter 8 First Day

From the map, the department store is near my place. I better take a stroll through a free bus.

Is there any stuff that I still need to buy?

A woman with dark hair, wearing an orange dress, is looking out of a window. The window is divided into several panes. The background outside the window is a soft, hazy landscape with a mountain range in the distance. The scene is framed by a dark border.

Bed sheet, pillow...

Some clothes,
and a spare
blanket

Table, chair...

Can I take it all
back by myself?

Today, I may
have to sleep
without any-
thing.

I don't really
know what you
are intending
to do....

But if ever you
want to come
back home...
Just come.

To be continued...
